Re: Transfer of Notice of Intention, Small Mining Operations, ML 46643 Project, S/025/020, Kane County, Utah

Dear Mr. Harris:

On April 21, 1997, we received the completed Transfer of Notice of Intention of Small Mining Operations from Gerald Berry of Tetla Septarians. The Division Director signed and executed the transfer document which effectively transfers the responsibility of this mining operation and reclamation to you. A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project.

By copy of this letter the Division hereby officially releases Gerald Berry from any further reclamation responsibilities at this site. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5321. Best of luck with your new mining venture.

Sincerely,

A handwritten signature in cursive script that reads "Tom Munson".
